Medical Practice

Quarterly Newsletter

WINTER 2023

*"Where we empower each other to deliver comprehensive medical care
with compassion and excellence".*

Rest in eternal and perfect peace Dr Stella Okonkwo

We give thanks for an excellent life but will deeply miss Dr Stella Okonkwo – GP Partner at Brunswick Park and before that Team Health Care Practice.

Dr Okonkwo qualified as a doctor 50 years ago in 1973 and first came to this practice to work with Dr Cox in 1989.

She dedicated many years of service to the practice and took semi-retirement in 2018.

Dr Okonkwo died peacefully on Monday 20th November 2023 surrounded by her family.

Rest in eternal and perfect peace.

Please see over the page for funeral information...

Celebration of Life

Dr Stella Jfeoma Okonkwo

"Give thanks in all circumstances; for this is God's will for you in Christ Jesus" 1st Thessalonians 5 : 18 NIV

Practice updates...

We are delighted to introduce Reception Lead Sharon, Receptionist Ritixa and Trainee Nurse Associate Sorah to our team. Additionally, we extend our heartfelt congratulations to Dr. Bina Chauhan, who recently welcomed a healthy and beautiful baby boy.

Award Winners

The practice was nominated for and won the award recognising its commitment to exceptional service delivery. (Launching a series of one stop shop practice-based dementia clinics. Using an MDT approach to deliver a high quality holistic, annual dementia review). The team worked tirelessly, and receiving this award meant a great deal to everyone involved.

PATIENT PARTICIPATION GROUP

We would like to thank members of the Patient Participation group (PPG) who volunteered at our Macmillan Coffee Morning. Their help and assistance was very much valued by the Practice. And we raised £194.53. Thank you to everyone who contributed, and we hope you enjoyed the cakes...

Please ensure your repeat prescription is requested in good time, to account for our closure.

You can also call the **Barnet GP Hub** for appointments on **0203 948 6809**

Complaints and Concerns

If you are concerned or unhappy about the care you have received or any other issue, please let us know so that we can investigate and/or explain.

Compliments are always welcome too – and mean a lot to the team!

We are improving the way we work with patients with long-term conditions.

Patients living with certain long-term conditions will be encouraged to attend a Yearly Health Check. Long-term conditions are those that impact over a long period of time, such as diabetes and heart diseases. Patients will receive personalised care and support from healthcare professionals from their general practice. This will cover things that patients say matter most to their health and wellbeing, from the best treatment for their condition, to wider things like employment, housing, and mental health. Our goal is that by planning care together with care, patients will have the confidence to manage their health, reduce their risk of being admitted to hospital, and have a better quality of life.
